02 OFFICE FURNITURE

In addition to custom sofas, AOGT provides a full range of office furniture. Our separate catalogue showcases executive desks, ergonomic chairs, and smart storage solutions for modern workspaces.

AOGT-CS001 (NOMAD)

Customized Sofa

The AOGT-Nomad collection is designed to blend modern aesthetics with ultimate comfort. Featuring a sleek and elegant structure, this sofa series enhances any contemporary space with its refined craftsmanship and durability. Built with a sturdy MDF and wooden frame, the Nomad series ensures lasting stability and support, making it perfect for both residential and commercial use.

- *Frame:* MDF and wooden frame for enhanced durability
- *Foam:* High-density 30kg foam (hard or soft options available)
- *Upholstery:* Customizable synthetic leather from our preferred catalog
- *Design:* Elegant and stylish structure suitable for modern interiors

AOGT-CS002 (ELEGANZA)

Customized Sofa

The AOGT-Eleganza series merges modern design with durability, featuring a sturdy metal frame that ensures stability and long-lasting use. With a sleek and contemporary aesthetic, this collection is perfect for offices, dining areas, and living spaces, offering both comfort and sophistication.

- Frame: Robust metal construction for superior durability
- Foam: High-density 30kg foam (hard or soft options available)
- Upholstery: Customizable fabric from our preferred catalog
- Design: Minimalist and elegant, suitable for a variety of interior styles

Available Size:

AOGT-CS003 (SAVOY)

Customized Sofa

A sleek and contemporary seating solution, the AOGT-Savoy blends modern aesthetics with luxurious comfort. Featuring a plush upholstered seat and brushed stainless steel legs, this sofa offers both stability and style. Its minimalist yet sophisticated design makes it an ideal addition to living rooms, offices, or lounge spaces, complementing a variety of interiors.

- Structure: Made from high-quality MDF for durability
- Foam: High-density 30kg foam, available in hard or soft options
- Upholstery: Customizable fabric selection from our preferred catalog
- Legs: Brushed stainless steel for a sleek and modern touch
- Design: A balance of elegance, stability, and comfort

Available Size:

AOGT-CS004 (OPULENCE) Customized Sofa

A timeless blend of elegance and comfort, the AOGT-CS004 (Opulence) sofa series is crafted to suit modern interiors with a touch of sophistication. Designed in single, two, and three-seater options, it features clean lines, customizable upholstery, and premium finishing. Ideal for living rooms, office lounges, and waiting areas, the Opulence series delivers both style and support.

- Made from high-quality MDF and solid wood for durability
- High-density 30kg foam, available in hard or soft options
- Upholstery: Synthetic leather with color options from our preferred catalog
- Powder-coated metal leg, or stainless steel as per seating variation
- Design: Refined, minimalist form with maximum comfort and flexibility

AOGT-CS005 (COSMO) Customized Sofa

Modern and inviting, the AOGT-CS005 (Cosmo) series offers a refined seating solution that seamlessly combines comfort and contemporary design. With its bold form and soft contours, this sofa line adds a stylish presence to both residential and commercial interiors. Available in single, two, and three-seater options, the Cosmo is perfect for waiting areas, lounges, and office receptions.

- Structure: Constructed with high-quality MDF and wooden frame for strength and durability
- Foam: High-density 30kg foam, available in hard or soft variations
- Upholstery: Synthetic leather with customizable colors from our preferred catalog
- Legs: Sleek stainless steel legs, tailored to the design
- Design: Bold yet balanced aesthetics with superior comfort and modern appeal

AOGT-CS006 (ZENITH)

Customized Sofa

With a sleek profile and refined finish, the AOGT-CS006 (Zenith) series is designed to bring contemporary elegance to any space. Its clean silhouette and customizable leather upholstery make it a versatile choice for modern offices, lounges, or reception areas. Available in single, two, and three-seater variations, Zenith offers both aesthetic appeal and everyday comfort.

- *Structure:* Crafted from high-quality MDF and wooden frame for durability
- *Foam:* High-density 30kg foam, offered in hard or soft options
- *Upholstery:* Synthetic leather with a variety of colors from our preferred catalog
- *Legs:* Metal or powder-coated legs based on seat configuration and design
- *Design:* Minimalist form with a focus on comfort, flexibility, and visual harmony

Available Size:

AOGT-CS007 (ZARA)

Customized Sofa

The AOGT-CS007 (Zara) series is a timeless collection that blends warm wooden elements with modern comfort. Its solid frame and plush seating deliver a cozy yet refined look, ideal for offices, lounges, and hospitality settings. With single, two, and three-seater options, the Zara series adds both charm and functionality to any interior.

- *Structure:* Built with premium MDF and reinforced by a solid wooden frame
- *Foam:* High-density 30kg foam available in hard or soft variants
- *Upholstery:* Synthetic leather with color selections from our preferred catalog
- *Frame Finish:* Solid exposed wood frame for a warm and elegant touch
- *Design:* A perfect blend of natural texture, durability, and classic styling

Available Size:

AOGT-CS008 (LUNA)

Customized Sofa

The AOGT-CS008 (Luna) series offers a perfect fusion of contemporary elegance and everyday functionality. Designed with soft curves and a minimalist profile, Luna fits seamlessly into modern office lounges, waiting areas, and collaborative spaces. Its customizable upholstery, durable frame, and powder-coated metal legs make it a reliable and stylish seating choice for sophisticated environments.

- *Structure:* Crafted from durable MDF and solid wood
- *Foam:* 30kg high-density foam, available in hard or soft options
- *Upholstery:* Synthetic leather with a wide range of customizable colors
- *Legs:* Strong powder-coated metal legs matching the sleek design
- *Design:* Minimalist silhouette offering both style and everyday comfort

Available Size:

AOGT-CS009 (JULIETTE)

Customized Sofa

The AOGT-CS009 (Juliette) collection blends timeless simplicity with durable craftsmanship, offering a versatile seating solution for offices, lounges, and reception areas. Its clean lines, customizable upholstery, and solid frame make it a dependable choice for both professional and casual spaces, delivering comfort without compromising on style.

- *Structure:* Crafted from durable MDF and solid wood
- *Foam:* 30kg high-density foam, available in hard or soft options
- *Upholstery:* Synthetic leather with customizable color options
- *Legs:* Sturdy and designed to match the minimalist look
- *Design:* Sleek, timeless design ideal for various interiors

Available Size:

AOGT-CS010 (LUMINA)

Customized Sofa

The AOGT-CS010 (Lumina) series is designed for those who appreciate a minimalist aesthetic with exceptional functionality. Its modern, sleek lines paired with high-quality materials make it perfect for upscale office settings or lounge areas. With its customizable synthetic leather and sturdy stainless steel legs, Lumina provides both style and comfort, making it ideal for professional and contemporary interiors.

- *Structure:* Durable MDF and solid wooden frame
- *Foam:* 30kg high-density foam, available in hard or soft options
- *Upholstery:* Synthetic leather, colors available from our preferred catalog
- *Legs:* Stainless steel legs designed for stability and style
- *Design:* Sleek, modern silhouette that balances elegance and comfort
